The Art Spirit of 2009: Re-Imagining America

Three Pines Studio, Cross Village, MI July 2009

July 5-31, 2009

Opening Reception and Ice Cream Social: July 5, 2-7 p.m.

Three Pines Studio is assembling a flag project: The Art Spirit of 2009: Re-Imagining America. We are asking Northern Michigan artists to participate by making an artist trading card (2 ½" x 3 ½") expressing their vision. The completed flag will measure 83" vertical by 91" horizontal. A minimum of 309 cards will be displayed in flag form at Three Pines Studio. There is potential for 618 cards. The opening celebration will be on Sunday, July 5, 2009 - after the Cross Village Parade at the Annual Ice Cream Social at Three Pines.

HOW TO PARTICIPATE

Artist Trading Cards will be available from Three Pines Studio. The cards are made by Strathmore and precision cut for a clean surface for a range of media - watercolor, acrylic, oil and mixed-media collage. At card pick-up, artists must indicate what card surface preparation they require, and a flag position (red, white or blue area) will be determined. We ask that you consider your position in the execution of your artwork. Card(s) can be mailed upon request. Artists who wish to do more than one card will be placed on a list, and as positions become available, they will be notified.

Artist Trading Cards will be available for pick up in February. Deadline date for card submission: June 15, 2009.

Cards will remain the property of Three Pines Studio. We are hoping that a permanent home for the entire flag assemblage will be found.
